School Board Tells Policy On Callan Land

Jefferson Elementary District trustees will take a definite stand at next Tuesday's meeting of the County School Redistricting Committee at 500 Acacia street, San Bruno at 8 p.m.

Three of the four trustees present here Tuesday were in full accord with board member Wayne Douglas on the matter. Douglas said, "If the Callan Park tract is annexed by Daly City the school district should be under our jurisdiction; if the tract stays unincorporated or is annexed to South San Francisco then that governing board should have the responsibility."

Trustee Tom Noonan said South San Francisco School Board Chairman John Broughan told him a petition is being circulated in South San Francisco to have Callan Park transferred to the jurisdiction of Jefferson Elementary District.

Noonan explained that this Callan land was in Jefferson Union High School District until three years ago and people here have collected taxes on it much longer than South San Francisco.

He added that South San Francisco trustees do not intend to service this Daly City area. Noonan said Broughan told him that people in South San Francisco would not pay money out of their own pockets to serve children from another city.

Another point brought up by the Daly City trustees was that in time 25 per cent of the electorate in Callan Park could petition for entry into Jefferson Elementary District even if they were being schooled by South San Francisco. Douglas commented, "It is best that we get in on the ground floor of the planning if it is to come into our district in time, anyway."

All trustees agreed that they didn't want to dispute with the South San Francisco board. They also were in full accord that children in Callan Park area should have adequate schooling no matter who takes over as governing body.

Superintendent Richard Foster pointed out that Jefferson Elementary District has been the only district represented at Daly City Planning Commission meetings. South San Francisco has been invited to these sessions but has declined, Foster stated.

Suicide 'Warned' His Wife

"Daddy says for you to come down and watch him blow his brains out," Mitzi Montgomery, age 11, told her mother Saturday evening.

When Mrs. Venice Montgomery did go downstairs her husband pointed the .45 caliber revolver at his right temple and fired. He was pronounced dead on arrival at Junipero Serra Hospital.

When Officer Tom Culley arrived at the 569 Winchester street residence Sergeant David Hansen, Officers Richard Sims, Matthew Murray and Richard Phillips were already working on the case.

Mrs. Montgomery, 46, said her husband Gilbert, 45, a bartender, had been drinking. She was upstairs and heard loud noises coming from the basement, as if her husband had been pounding on the floor, she said. The noises apparently came from her husband firing five times at a brick wall at the end of a basement.

She sent her older daughter, Mitzi, down stairs. The 11-year-old returned saying, "Daddy wants you to come down and watch him blow his brains out." Mrs. Montgomery did not believe her husband was serious and stayed in the living room.

A few minutes later a neighborhood girl friend of Mitzi's came to the door and told the youngster her father wanted to see her. When told his wife was sewing, Montgomery insisted, "The sewing can wait, tell her to come down and watch me blow my brains out."

Mrs. Montgomery went to the basement. Her husband had

Award Contract On $80,000 Project To Improve Mission Street

Work is scheduled to begin this week on an $80,000 improvement job to Daly City's Mission street.

The project includes removal of the unused, slippery old railway tracks, installation of a concrete center strip, repaving portions of these links, and erection of traffic lights at the School street-Mission crossing.

State Division of Highways has awarded the contract to Lee J. Immel Contractors, low bidder at $79,374. The project allows for 70 working days, meaning early August completion.

San Francisco is contributing $12,600, mainly based on the rail tracks removal. Daly City's share of the total improvements work is $7400. The state pays the balance—$59,000.

A breakdown on the work includes $17,000 for the School-Mission signals, $16,000 for the center strip, and $7400 for the removal of approximately 18,500 feet of railway track.

For almost 10 years, Daly City councilmen sought removal of the old rail tracks, once utilized by the San Francisco municipal transportation system.

More recently, the Chamber of Commerce opposed the state's plans for a center dividing strip, preferring only removal of the tracks and repavement of this affected area.

The council, apprised by the state that the entire state expenditure would not be forthcoming unless the total project were endorsed by the city, subsequently requested the state to follow through on the total project.

8 CANDIDATES FILE BEAUTY CONTEST PAPERS

Eight bright-eyed young ladies have filed entry blanks thus far as candidates in the fifth annual "Miss Daly City" contest.

Deadline for all candidates (Daly City-Colma girls 16-26) is June 2. Call PL 5-2262 or report to the Chamber of Commerce office, 6454 Mission street.

Fred Martin of the Chamber again is contest chairman and will be the master of ceremonies. Preliminary judging is set for June 3 at poolside in Westlake. Finals are June 16 at The Steak Pit when Chamber members and their wives will have dinner with the contest finalists and the fortunate winner will be crowned.

Daly City 2nd In County With 48,159 Residents

Daly City has zoomed ahead of Redwood City as San Mateo County's second largest municipality, Federal Census Bureau officials said today.

According to the 1960 census taken in April, Daly City's present population is 48,159 compared to Redwood City's 45,861. San Mateo remains the most populated community in the county with 69,319.

Daly City's growth the past ten years has been phenomenal. Prior federal census in 1950 listed Daly City population at 15,191.

Redwood City, by contrast, had 25,544 residents 10 years back. San Mateo had 41,782 in 1950.

County population is now 439,186—a jump of almost 100 percent over 10 years ago when the total was 235,659.

South San Francisco is the fourth largest city with 38,762 compared to 19,351 in 1950.

Other cities, with present population listed first, followed by 1950 totals in parenthesis:

San Bruno—28,925 (was 12,478 in '50); Menlo Park—27,223 (13,587); Burlingame—23,933 (19,886); San Carlos—21,390 (14,391); Pacifica—20,830 (unknown); Belmont—15,905 (5567); Millbrae—15,834 (8972); Brisbane (unincorporated)—11,928 (unknown); Atherton—7671 (3630); Hillsborough—7543 (3552); Woodside—3580 (unknown); Half Moon Bay—1946 (unknown), and Colma town—492 (291).

No figures were available on Broadmoor (unincorporated Colma.)

TWO ORDINANCES CHALLENGED

'Verified' Petition Faces City Hall Test In Callan Park Fight

City Clerk Evelyn Mosman is scheduled to deliver a report on the citizens' petition against the Callan Park annexation to the Daly City Council next Monday night at its regular meeting which could be one of the most explosive in local history. Starting time is 8 p.m. at 75 Wellington avenue.

Filed with the city clerk on May 9, the petition, signed by 4229 residents, asks the council to either rescind annexation Ordinance 514 (the regular ordinance) or submit the annexation decision to a referendum vote. Mosman's office early this week completed verification of the petition signatures at the county office in Redwood City.

She declared today that more than 1850 required signatures (10 percent of the registered voters) to make the petition valid were confirmed, thus the petition, aimed at the regular ordinance, is valid.

The clerk's office had 10 days from the date the petition was filed to check the validity of the signatures.

Whether the council will take any action on the petition Monday night is undetermined. The regular ordinance, supplemented by an emergency ordinance (Ord. 515) when the council approved the annexation by 4-1 vote on April 11, was suspended with the filing of the Citizens' Petition by Fred J. Walker, Palisades resident and spokesman for those battling the annexation.

The emergency ordinance, however, took effect April 11 and made 870-acre Callan Park a part of Daly City as of that date. Even should the regular ordinance be nullified by referendum or by council repeal, Callan Park remains in city jurisdiction via the emergency ordinance.

Validity of this emergency enactment by the council majority is the key to the entire outcome of the controversy.

All five councilmen last week were served subpoenas by the petitioners' legal representatives, the Oakland law firm of Sturgis, Den-Dulk, Douglass and Anderson, to show cause by about May 28 before the state attorney general why the petitioners should not be allowed to initiate a law suit against the council challenging the "emergency" provision of Ordinance 515.

Walker's group maintain the city's "emergency" qualification in enacting this ordinance was unconstitutional on the grounds that no such "emergency" existed.

The council majority, however, declared the "emergency" provision essential, basing this terminology on the premise of the imminence of freeway route adoptions and the council's concern over additional interruption to the city and its new development that proposed freeways would create. The council majority felt lack of immediate jurisdiction over Callan Park, during a period when the state has not finalized north county freeway route adoptions, would jeopardize Daly City territory and leave the council without an official voice in freeway discussions with the state.

The council majority therefore believe a legitimate emergency existed when they voted for Callan Park with the two ordinances last month. Leaders of the petition drive, on the other hand, believe the council supplemented the regular ordinance with the immediate jurisdiction emergency ordinance solely to protect the annexation and sustain it.

There is widespread difference of opinion on the constitutional validity of emergency annexation ordinances. In this case, the city council must first show cause before the attorney general why the petitioners should not be granted the right to sue the city and challenge the emergency enactment. If this litigation is authorized by the attorney general, then the plaintiffs (petitioners) would have to prove that the emergency enactment was illegal.

There are these possibilities: The council, when presented with the confirmed petition against the regular ordinance, could 1) take no action on this now suspended ordinance, 2) authorize a referendum vote of the people on the annexation, or 3) rescind the regular ordinance.

Regardless of which course of action the council takes on the petition, the emergency ordinance still is in effect unless reversed by court decision. How long this possible litigation could take has not been approximated by either camp in the controversy.

On the subpoena served the councilmen, listed as plaintiffs in the intended suit against the city council are Fred J. Walker, Durand Marcus, A. A. Figone, Michael A. Amorose, Julius F. Castelan, Fernanda Goin and Frank Garibaldi.

The subpoena states that the above residents are applying to the attorney general "for leave to sue you and to declare null and void and invalid and to set aside the Callan Park annexation."

City Attorney Paul Hupf, whose burden it is to defend the council's position, said the city has 15 days after receipt of the subpoenas to show cause with the attorney general why the "leave to sue" sought by the petitioners should not be granted.

Attorney General Receives Petition

The Oakland law firm representing the citizen petitioners against the Callan Park annexation this Thursday filed a petition with the state attorney general's office in San Francisco, requesting permission to sue the city of Daly City and challenging the city council's emergency ordinance.

KPIX Announces Tentative Plans For Program About 'Callan Park'

The taping of the program on the Daly City annexation of Callan Park in Television Station KPIX's local government series, "By The People," has been postponed pending the state attorney general's hearing on the legality of the emgency annexation ordinance passed by the Daly City Council.

Public Relations Manager Al Baccari of Channel 5 said KPIX "hopes to tape the program on this important local issue with the full city council on Wednesday evening, June 1."

The panel then would consist of members of the city council. The audience, Baccari went on, would be made up of Daly City citizens who are actively interested in the annexation issue—both pro and con.

The program's format is that of a public meeting, with questions from the audience moderated by veteran Bill Tracy.

Baccari said the program is planned for release on Sunday afternoon, June 12.

Mayor Frank Pacelli of Daly City today said he would "sound out the full council to see if they are agreeable" to appearing on the public service, informational program.

Officer Nickas Called Twice For Same Fire

Broadmoor Officer Al Nickas responded to the same fire twice last Monday at 1 a.m. and then again at 6 a.m.

Nickas received a call from Ann Thorell, 903 Heather road, and pulled a chesterfield sectional from her living room and threw it on the lawn. He then notified firemen who apparently extinguished the fire.

Five hours later a neighbor of the woman's called to report that the chesterfield was ablaze on the lawn. Nickas used a garden hose to douse the fire for the final time.

Daly City's Primary Voters --- 12,186 Demos, 5874 Republicans

Daly City has 12,186 Democrats and 5874 Republicans registered to vote in the June 7 primary election, County Clerk John A. Bruning announced today.

Broadmoor, or unincorporated Colma, has 1235 Demos and 723 GOP voters. The count in the cemetery town of Colma is 117-73, again with Democrats most numerous.

South San Francisco lists 10,789 Democrats and 3981 Republicans eligible to ballot. In Pacifica, the Demos lead, 5564-2042.

Brisbane has 998 Demos and 239 GOP followers on the rolls. Bayshore City's Democrat margin is 818 to 176.

The county clerk listed four Prohibitionist party registrants—two of them from Daly City, and one each in Pacifica and Broadmoor.

EARLIEST candidates for the "Miss Daly City" contest, Westmoor students Mary Townsend (left) and Sonja Petrovffsky, file with contest chairman Fred Martin (seated) as Chamber of Commerce managing director Pete Markovich looks on. Girls ages 16-26 are eligible to enter the fifth annual event.

HOLY ANGELS BUYS OLD JEFF ANNEX

Washington K-6 School Construction $385,000

Jefferson Elementary District trustees Tuesday evening accepted the low bid of Herrod and Williams of $384,615 for construction of the George Washington School at Lowell street and Bellevue avenue.

Superintendent Richard Foster noted that all bidders were under the state allowable maximum. He added that the Herrod and Williams Company base bid was $335,828.

The local board's action is still subject to approval by the state department of finance, a usual procedure. Construction will start sometime after June 12 on the K-6 school. Washington will have 12 classrooms and one kindergarten.

The old Jefferson Annex, located on San Pedro road near Market street, was sold to the highest bidder, Holy Angels Parish, for the sum of $17,100. Part of this property will be used for a new church.

Board members accepted certain engineer bids for improvements at the Benjamin Franklin School at a total of $51,041 plus eight per cent engineers fees.

September Opening Date On New Library

City Librarian Sam Chandler announced today that Daly City's new main library in Westlake should be completed for a September opening of the $143,000 facility.

Bids on an estimated $30,000 for furniture and equipment for the new library will be considered by city councilmen on May 23.

Opening of the Southgate avenue building will mean discontinuance of the small branch library on Park Plaza drive. The Mission street branch will remain in operation.

The city library commission last Wednesday night discussed color schemes for the new library's interior and placement of personnel to staff it. Chairman Lionel Farber and the commission held that personnel transfers should be the decisions of Chandler and the city manager.

The commission read a letter of resignation, effective June 1, of library assistant Loris Irick, who is moving from Daly City. Mrs. Maxine Gates of the Mission branch will replace Mrs. Irick at the Westlake headquarters.

A letter from Joybelle Jackson, Westlake branch librarian, asking that she be assigned to the new building, was filed. Chandler will discuss personnel needs with the city manager.

Chandler said the present city library staff includes seven full-time personnel and two part-time workers.

REGULAR COUNCIL MEETING MONDAY

Regular meeting of the Daly City Council is scheduled next Monday evening, May 23, at 75 Wellington avenue, starting at 8 o'clock.

Auto 'Salesman' Charged With Grand Theft

San Francisco police have charged Leonard LaRosa, 33, 80 Santa Elena drive, St. Francis Heights, with three counts of grand theft. LaRosa was picked up last week after nearly a month of inspection by San Francisco and Daly City police.

An auto salesman, LaRosa is suspected of failing to turn in customers' old cars to his firm. Complainants included two D.C. purchasers, one from Pacifica, one from San Bruno and at least two from San Francisco.

Doing the journeyman investigative work from Daly City was Sergeant Charles Terry, though Lieutenant Bruno Conci and Officer Les Bastedo handled the original reports from local complainants.

Girl Scouts Attend Camp Session; Give Pointers To Others

Approximately 70 eighth grade Girl Scouts from the Daly City-Colma district, attended a "Freshman Welcome" last Saturday, from 10 a.m.-3 p.m., at Jones Gulch, the Camp near La Honda.

Senior Scouts from this area were in charge of the day's program which consisted of swimming, baseball, and talks on the opportunities available to Senior Scouts.

The many phases of Girl Scouting were explained to the Junior High girls who will be senior scouts in the fall. Some of these were: Mariner Scouting, Trail Blazers, Mounted Patrol, Wing Scouting (flying) and Service Scouts. The senior opportunities are unlimited and of widely varying interest.

The "Freshman Welcome" is a way of inviting eighth grade Scouts to continue their work at the Senior level which is more advanced and more interesting.

Girl Scouts Wash Cars This Saturday

Don't work yourself to the bone. Let the Girl Scouts wash you car. The Girls Scouts will clean it inside and out for only $1.

Tickets are being sold by Senior Scouts who are trying to raise reserve funds to be used for Senior opportunities.

The first car wash is this Saturday at Conci's Shell Station, Mission and Hillside, Daly City. Mariner Scouts from Ship 13 will do the work.

Broadmoor Richfield Station, 87th and Sullivan avenues, will be the locale for the second car wash conducted by Senior Scouts of Troop 24.

On Saturday, May 28, the same troops will hold a second car wash at the same two stations.

The Superintendent said he wondered what will happen if this land, presently in the South San Francisco District, is not boundary-changed into the JESD. Trustee Katharine Mullen gave the administration and fellow trustees a verbal pat on the back stating, "Well, I guess we're the only district with our heads not in the sand."

Represented at the study meeting Tuesday will be the Jefferson Elementary and High School Districts, South San Francisco District, San Elementary District and San Mateo Junior College District.

Douglas, Noonan and Frank Verducci were in favor of the policy as put forth while Mrs. Mullen believed the board should have gone to the meeting "with open minds as it is not an action meeting." Chairman Joe Lewkowitz was not present. Mrs. Mullen added later that it was up to the other trustees to decide as she is a member of the County Redistricting Committee and would not participate in the comments at the meeting. Foster is to act as spokesman for the Daly City elementary group.

ELEMENTARY GLEE CLUB 'SUPERIOR'

Jefferson Elementary School District's 4th, 5th, and 6th grade Honor Glee Club, under the direction of Mrs. Patricia Hackett, was given a superior rating at a recent music festival held at Capuchino High School, San Bruno.

According to Mrs. Muriel Vint, music coordinator for the district, the 7th and 8th grade Girls Choir, under the leadership of Byron Ogden, was also honored with an excellent rating.

Schools throughout the Bay Area participated in the music festival.

GENERAL PERSHING school replacement, a $299,369 project, will be a six classroom school on Hanover street bounded by Risel, Acton and Oliver streets. Completion date for contractors McBroom and Ceccini is August 15. Business Superintendent Dr. David Shapiro, of the Jefferson Elementary District, said building cost is $160,000 while demolition charge was $18,000.

Broadmoor Legion's Polio Shots Day Musters About 1500

Almost 1500 youngsters and grownups took avantage of Broadmoor American Legion Post 824's polio shots program last Saturday in the auditorium of Benjamin Franklin School.

Chairman Ray Logan termed the turnout "better than we expected," and he announced that the second shots in the recommended series of three inoculations will be offered residents at the same auditorium on Saturday, June 11.

The third shots will be set up for January 7 next year. Booster shots for those who already have had the series will be administered again June 11 and in January, Logan explained.

There was a steady flow of residents into the auditorium Saturday from 9 a.m. to about 4:30 in the afternoon.

Dr. Robert L. Boettjer of San Francisco was assisted by registered nurses Vi Murphy, Jayne Donahue and Eleanor Garrissere. Post 824 Commander Ken Phillips and fellow Legionnaires helped out and did much to calm some of the smaller tots who were typically apprehensive of the needle.

The individual fee of $1 for the injections was necessary to defray costs of setting up the special program.

Tallow Works Owner Notifies Police Of $435 Theft

Lelio Martinelli, 149 Vale street, owner of the Progress Tallow Works, San Fernando way, told Officer Charles Munday that $435 worth of equipment was stolen from his building over the weekend.

Martinelli said the building is being dis-assembled and the premises vacated. The thieves apparently gained entrance through a hole in the main door and used a truck to carry away acetylene torch, tanks, a ratchet set, block and tackle and 500 pounds of copper wire.

Flare Thrown Into Car Starts Blaze

A resident who lives near the scene said she watched three boys throw a flare into a car, setting it ablaze. Her son identified the culprits as three Jefferson High School youths.

The incident occurred at Belcrest avenue and Skyline drive last Saturday at 8:55 p.m. The woman said she saw the three boys tow the car to the cliff before throwing the flare inside.

Hayden Hamilton, 707 Maddux drive, said he had sold the car to Richard Engler, address unknown. Pacifica firemen of Company 3 extinguished the blaze. Officer Nelson of the Pacifica police turned the case over to DC Officer John Coleman.

Junior Bowlers May Sign For Summer Bowling Leagues

Westlake's junior bowlers will be signing up for summer leagues the next two weeks. The nucleus of the Bantam leagues will consist of the youngsters who have been participating in the popular 16 team instruction league for the past seven weeks.

The bantams are now ready and eager to take on a competitive league. It is the bowl's opinion that a youngster benefits more by mastering the fundamentals while taking part in a league designed for instruction and not competition.

The regular Saturday morning program has been expanded to now take in Monday and Wednesday so as to reach those boys and girls who participate in other activities on Saturdays.

To make signing up for a league a simple matter, cards are available at the desk. Simply fill out a card, drop it in the box and attend the first league get together. For any further information contact Bob Sexton any Monday or Thursday evening after 6 p.m. or anytime Saturday at PL 6-5777.

Lydia Ramos Rewarded For Scouting Work

The Scout groups sponsored by Our Lady of Perpetual Help Church Men's Club made an excellent showing at the recent appreciation dinner at Westmoor High School, put on by the Lake Merced District of the San Francisco Boy Scout Council.

Training awards were presented to Scoutmaster Stan White and Assistant Scoutmaster Joel Cook, of Troop 243.

Mrs. Helen Houk of Pack 243 was awarded the Den Mother's pin.

The troop committee made token awards to White, Cook and Harry Hettel.

An appreciation award was made by the committee to Mrs. Lydia Ramos for her "excellent work" in handling various affairs for the Troop the past year.

Auto 'Salesman'

(Continued from Page 1)

Mr. and Mrs. Michael Roberts, 11 Westbrook avenue, said they made a deal for a new car with LaRosa on February 23. LasRosa said he was working with a San Francisco auto firm but the sales manager told police he had not been hired until March 8, more than two weeks later.

In addition, the car sale form of the company was not used. The Roberts' said they were "given" $515 credit for their old car and gave LaRosa a $595 check toward payment of the new car.

On March 31 Roberts was informed that his new car was ready for delivery. He found that neither the money nor his older car had been turned over to the company. The check was found to have been cashed by LaRosa but the older car was not in LaRosa's possession nor was it sold at the time.

On April 9, Walter Edwin Sainsbury, 50, 636 Skyline drive, said a buyers' groun referred him to LaRosa for purchase of a car. He said he gave LaRosa $100 and the pink slip for his 1957 auto in exchange for a new car. An Oakland auto dealer, whom LaRosa had been working for also, said they received the $100 check but not the auto.

Mrs. Montgomery said she picked up some rags and placed them on the open wound. Sergeant Hansen said the man was lying in a pool of blood when he arrived. He was breathing ever so slightly then stopped altogether. Hansen surmised the man died before he was carried from the basement. The bullet was found lodged in the ceiling of the basement.

Former Jeff High Teacher Succumbs

Word was received this week that William Van Houte, former mathematics and Spanish teacher at Jefferson High, died May 10 in Heppner, Oregon, where he had been living with his son, Robert.

The retired educator was 90 years old. He served on the Jefferson faculty until 1937.

Broadmoor Man Asks—

'WHO DECIDES, 5 COUNCILMEN OR 4,229 REGISTERED VOTERS'

Dear Sir:

As a donor to the Daly City treasury, although a resident of Broadmoor Village, it is incumbent that I voice my thoughts.

Never have I encountered such bald-faced gall and hypocrisy as is apparent in the two front page articles of your paper of May 11, 1960. I refer to news story number one, covering the transfer of funds from capital outlay and water funds to balance the general fund and the second report on the annexation of Callan Park at last Monday's council meeting.

Story one states, "The council will study fiscal '60-'61 budget, and all agree that a considerable jump in the property tax rate will be necessary, due to increased population and the need for more services and personel to accomodate this growth."

In report two, Mayor Pacelli, no doubt speaking for the majority of the council, said; "The Callans studied the matter with the City Attorney, City Engineer, City Manager and other department heads for months before formally requesting annexation. By 1964, all studies show...more than $400,000 net revenue annually."

If the city needs more property tax revenue because of increasing population, how does it follow that a large increase in population will lower taxes? If the annexation will net $400,000 annually, how much above this figure will be needed for increased service and personnel and how much higher will it push other property, sales and other taxes? These questions seem to be ommitted from the report described as "Callans studies."

It appears that the Daly City council has accepted some recommendations only to "make it the second largest municipality in San Mateo County and give a much greater voice in regional affairs," regardless of what present residents feel, or how it affects their pocketbooks.

From the arguments described in your paper it becomes apparent that the councilmen have forgotten the fundemental principles of American Government; the principle that men make government, and the principle that there are limits to the authority of government (no matter how large or small). This is found in the natural-rights philosophy--in the notion that all rights inhered originally in men and that men, living in a state of nature, came together for mutual self-protection and set up government and that the governments thus instituted derive all their just powers from the consent of the governed.

So who is to govern, five councilmen or 4229 registered voters?

Let us hope that in Daly City we do not have what James Madison deplored in his "The Federalist numberXLVII; "The accumulation of all powers... in the same hands, whether of one, a few, or many, and whether hereditary, self-appointed or elective, may justly be pronounced the very definition of tyranny."

Sincerely,
Wayne Knutila,

Schools, Library Cooperation To Be Panel Topic

"Cooperation Between the Schools and the Public Library, and How Best to Serve the Needs of Youth" will be the panel discussion topic for the Friends of the Daly City Library meeting at the Seacliff Community Church, 50 Northridge avenue, this Wednesday at 8 p.m.

Moderator for the panelists will be Jefferson High School District Superintendent Ed Morgan. Panelists will be: Dr. John Ivan, director of curriculum for JUHSD; Dr. Vinton Stratton, Assistant Superintendent for Educational Services at the Jefferson Elementary School District; Samuel Chandler, Daly City Librarian; and Edward Frank, City Manager.

Members of the audience may ask questions following the panel discussion.

Preceding the meeting will be election of officers of the Friends of the Library. The nominating committee has brought up the following names: President, Mrs. Thomas Brewer; Vice President, Mrs. Martin Orloff; Recording Secretary, Mrs. Julian Cohn; Corresponding Secretary, Mrs. Samuel Stein; Treasurer, Mrs. Frank Kelethava; Directors, Mrs. U. R. Kendree, Mrs. M. Struckmeyer, Mrs. Tibby Torres, H. Z. Weibel.

Colma Phone Center Holds 'Open House'

The Colma Dial Telephone Central Office, 359 Washington street, will conduct open house tours for the general public this Thursday, Friday and Saturday.

Manager W. L. Conkey said the hours Thursday and Friday evenings are 6:30 to 9, and on Saturday from 10 a.m. to 4 in the afternoon.

The staff will explain the dial system and show the latest in communication equipment. Daly City area civic officials took a preview tour of the ultra modern plant Monday evening.

Navy Explains 'Cold Storage' For Seniors

The Navy has initiated the 1960 "Operation Cold Storage" enlistment program which enables high school seniors to qualify early for enlistment after graduation, the Daly City Navy Recruiting office announced today.

"Cold Storage" applicants who qualify will be guaranteed the field of their choice which will be held for them until they graduate. There are currently more than 60 schools in the various fields.

The "Cold Storage" enlistment program is consistent with the Navy's Stay-In-School policy which encourages high school students to finish school before joining the service.

Further information about "Operation Cold Storage" can be obtained by contacting the local Navy recruiter, Chief Ken Gaddis, whose office is located at 6705 Mission street, Daly City, phone PL 6-3740.

Three Sentenced On Grand Theft Charges Here

Three men pled guilty to grand theft charges in Municipal Court last Tuesday of taking a truck loaded with kitchen appliances from the McKeon Construction Company on January 31.

Nicholas T. Kosta, 24, 1187 Geneva avenue, San Francisco, unemployed, was placed on three years probation but is to serve four months in the county jail and to make restitution to the county for defense costs. He was also ordered to pay 1/3 of the loss of the McKeon Company, $546.07.

Sharing the 1/3 costs along with being placed on three years probation, paying $250 and restitution to the court for defense costs were Dale D. Wiedman, 22, 72 Thiers street, a truck driver, and Henry L. Parsons, 22, 324 Commercial avenue, South San Francisco, a pressman.

Alexander J. Daukshas, 19, 16 Flournoy street, pled guilty to four counts of second degree burglary. He was denied probation and committed to the California Youth Authority on each of the four counts which are to run concurrently. He was arrested on January 7 at his home.

Youths Suspected Of Damage At New Apartment Building

Eight teen-age boys and two girls are believed possible suspects for the vandalism that occurred at an apartment under construction at 150 1st avenue, Colma, during the weekend.

Carl F. Huber, superintendent for the Lagomarsino Realty Company, 7100 Mission street, said $67.50 damage was done to the building with an unknown amount needed to repair obscene scrawlings on the walls.

Tape was also taken off light switches and formed into obscene words on the walls. The sides of rooms were splashed with soda water, and sheet rock was kicked in. In addition, a soft drink bottle was pushed through the sheet rock. Officer David Johnstone is conducting the investigation.

Scavenger Truck Target Of Vandals

Rifle-toting vandals flattened a Daly City Scavenger Company carry-all truck late Wednesday night last week, piercing two tires with seven .22 caliber bullets.

Owner Al Sereni discovered the vandalism Thursday morning at the Mussel Rock dump site.

PREVENTS DRUM SCORING

Avoid harsh use of the brakes of a new car or the relined brakes of an older car, advises the National Automobile Club. Careful use will prevent scoring of the drums.

TOP SPEED 75 MPH

Minimum Fare Of 25 Cents Seen For Rail Rapid Transit System

A minimum fare of 25 cents is being planned for the Bay Area's proposed new rail rapid transit system.

For this amount, a commuter will be able to travel from Daly City to downtown San Francisco, or from Oakland to Berkeley, or from Orinda to downtown Oakland.

The probable fare structures were outlined in a report issued by consulting engineers for the five-county Rapid Transit District.

The report suggested that rapid transit fares above the 25 cent minimum be based principally on distance traveled.

For trips totaling more than 8 miles in length, the fares will range from 3.2 cents per mile to as low as 2.11 cents per mile. Ten cents will be added for trips which involve crossing the Golden Gate Bridge or going through the underwater transit tube between San Francisco and Oakland.

Typical fares for the rapid transit system include:

Sausalito to San Francisco, 40 cents; San Mateo to San Francisco, 50 cents; Oakland to San Francisco, 35 cents; Hayward to San Francisco, 65 cents; Oakland to Hayward, 40 cents; San Francisco to San Rafael, 60 cents; Redwood City to San Francisco, 65 cents.

Trains would travel over the entire system at an average speed of 45 miles-an-hour — counting station stops—and at top speeds of 75 miles-an-hour.

Among the predicted travel times for the system are:

Downtown Oakland to downtown San Francisco, 10 minutes; Concord to San Francisco, 40 minutes; Hayward to Oakland, 17 minutes; Millbrae to Powell and Market streets in downtown San Francisco, 18 minutes; San Rafael to Post and Market streets in San Francisco, 29 minutes; Redwood City to Powell and Market in San Francisco, 37 minutes.

Intoxicated Boy Rams Into House

A 16-year-old San Francisco boy, allegedly intoxicated from inhaling fumes from a turpentine bottle, was cited for driving without a license and hit and run driving after bouncing off two autos and crashing into a house at 199 Winchester street Sunday at 8 p.m.

Witnesses at the house accident said the boy had fled on foot. Meanwhile, San Francisco Police accident investigation officers arrived at the scene and told Daly City police the boy was being sought for hit and run accidents at Guttenburg and Mission streets and Seneca and Mission streets which occurred earlier.

The boy's father's car was extensively damaged while quite a bit of damage was done around the garage doors of the house. Richard Gulliani is the tenant there though the house is owned by Milton Page, of San Pablo.

San Francisco police apprehended the boy when he arrived home an hour and a half later.

LIONS INSTALL NEW OFFICERS ON JUNE 25

Postmaster Vince Murphy announces that the Daly City - Colma Lions Club will hold installation of new officers on Saturday night, June 25, at International Inn, South San Francisco.

George Glass will succeed Murphy as president of the unit.

Ray Charette and Ray Lagomarsino are in charge of installation dinner arrangements.

Westmoor Lad Wins Academy Appointment

Congressman J. Arthur Younger today announced the appointment of Albert James (Jim) Heick, Westmoor High School honor student and athlete, to the United States Merchant Marine Academy, Kings Point, New York. Heick lives at 479 Skyline drive, Daly City.

Heick was one of 18 principal appointments from the entire state of California, Younger said, indicating that he had a high scholastic standing in the final examination. His appointment is subject to a final physical examination and security approval.

Heick has won letters in varsity football, basketball, baseball and was an All-Peninsula selection in baseball. He is on the scholastic honor roll and is vice-president of the Block W Society.

Younger said that Heick will enter the academy in July.

He is the son of Mr. and Mrs. Everett Heick.

Thomas Edison PTA Charter Meeting Set

The new Thomas Edison School in Daly City will hold its first PTA charter membership meeting on Wednesday evening, May 25, at 8 p.m. at Vista Mar School multi-use room, 725 Southgate avenue.

Election of officers will take place with Mrs. Roy Cloud, parliamentarian, and Mrs. H. C. Norris, Director of Extensions from 17th District, acting as installation officers.

All Thomas Edison School parents are invited to attend this important meeting. Charter membership is available only at this meeting, according to Principal Harry Aronson.

DRUNK DRIVING CHARGE FILED AGAINST TRUCKER

Cardwell Wayne Campbell, 37, Parkgate Hotel, Haight and Stanyan streets, San Francisco, was arrested at that city's jail Monday evening on a Northern Judicial Court Warrant charging drunk driving and driving without a driver's license in his possession.

Sergeant Charles Terry picked up Campbell at the prison for the case that occurred here on February 13 at Northgate avenue near Northgate court. Campbell, a sanovac operator for the Holland Furnace Company, was in a truck that overturned. He was not injured at the time.

Bail was set at $525 cash or $1050 bond.

KINDERGARTEN REGISTRATION IS 1009

Supt. Anticipates 700 More Students Starting in September

With 1009 youngsters registering for kindergarten last Wednesday in the Jefferson Elementary School District, Superintendent Richard Foster estimated that total enrollment would grow by 700 children next fall.

He expects 8507 students to start the 1960-61 semester as compared to the 7800 who will close out this semester. Foster said that kindergarten children may be registered any time until school opens in September.

The total of 1009 registrants is 100 more than signed up last year. There will be two new schools, Fernando Rivera and General Pershing, in operation to handle the influx. Rivera is located in the Westlake Basin near Lake Merced boulevard while Pershing is on the older side of Daly City at Risel and Oliver streets.

Number of students expected in each class:

Kindergarten	1294
First Grade	1028
Second Grade	998
Third Grade	968
Fourth Grade	945
Fifth Grade	851
Sixth Grade	834
Seventh Grade	803
Eighth Grade	741
Special	45
Total	8507

92-year-old Suffers Third Degree Burns

Katherine Richmond, 92-years-old, 164 Vista Grande avenue, suffered third degree burns over most of her body after standing too close to an old type gas stove last Sunday at 7:15 a.m.

The flames apparently caught her dress on fire. She was transported to Junipero Serra Hospital by M&D Ambulance and later transferred to Community Hospital.

Highway Patrol's Emergency Phone No. Is ZEnith 1-2000

ZEnith 1-2000 is the statewide, toll-free telephone number of the California Highway Patrol, but it is to be used only for reporting a traffic accident or some other kind of traffic emergency, Captain John W. Kennedy, commander of the Redwood City unit of the California Highway Patrol, declared today.

"This special telephone number has been assigned to the California Highway Patrol for the past six years and is a quick and sure way of contacting the Patrol when a traffic emergency arises," Kennedy continued.

"Simply dial the operator, ask for ZEnith 1-2000 and tell her you want to report a traffic emergency. The operator will then immediately connect you with the nearest California Highway Patrol office."

Captain Kennedy said the California Highway Patrol should be called to traffic accidents that occur outside of city limits. City police departments normally handle traffic emergencies within cities, however, the Patrol does handle situations on some freeways and other areas within municipalities.

"If you are in doubt, call ZEnith 1-2000 and the Patrol will dispatch one of its officers or relay the call to the city police department, depending on the location of the accident or emergency."

THERE was steady flow all day Saturday when Broadmoor American Legion Post 824 sponsored mass polio shots for almost 1500 Daly City area residents. Persons wishing to register now for future injections should phone WY 2-2222. THE RECORD photo

AROUND TOWN

WORK is expected to begin momentarily on an estimated $80,000 improvements job to Daly City's Mission street

Out will come the car tracks and in will go a center safety strip and traffic lights for the Mission-School street crossing.

Further south, thanks to Elio Fontana and his Daly City Chamber of Commerce committee, beautification planting on the center strip from Colma to the cemeteries will be accomplished.

"THIS IS the year when Daly City just has to have THE winner in the San Mateo County Fair queen contest."

The quote belongs to Fred Martin, DC Chamber of Commerce's "Miss Daly City" contest chairman and emcee.

Past few years Fred faithfully has accompanied the annual Daly City beauts to the county shindig. Last time DC's Pat Strasser was runnerup to the South City gal.

Martin got some satisfaction in '59 when he rushed center stage and gave Pat a big bouquet, moments after she was declared second best. His run with the roses was the only flower presentation and brought red faces to backers of the contest winner who were outraced in the romp to the platform.

FEDERAL census this year placed Daly City's head count at around 48,159. Three years ago it was 33,374.

In 1950 Daly City had only 15,191. Back farther, it was 9612 in 1940, 7838 in 1930, and 3779 in 1920.

These figures are courtesy of the management and do not include tallies on dogs, cats, mules, pigs, and sundry other critters.

FIRE CHIEF Elmer Kennedy and Police Chief Roland Petrocchi were among scores of Daly City officials who Monday night were treated to a feed and tour of the Colma Dial Telephone Central Office on Washington street.

Manager Bill Conkey and his staff serve about 23,000 phone users from the ultra modern plant. They welcome tours and the school kids can't fail to be impressed with the complexity and efficiency of dial operations.

Kennedy suggested that the building would be an ideal civil defense headquarters for the greater Daly City area. It has ample room, reserve power, and of course, the best communication system available come heck or high water.

DOELGER'S master planners are thinking hard about a new name for "Westmont," 421 acres of Pacifica land south of Edgemar freeway west of Skyline which is earmarked for 2300 homes, 700 apartment units, a big shopping center, and roughly a population of 10,000.

The Westlake developer recently was apprised that "Westmont" already has been used by another California subdivider for a similarly sized tract.

Even fancy names are getting scarce these days.

CONSTRUCTION of the new Skyline Shopping Center, east of the boulevard off Southgate avenue, is slated to start this August. "Westmont," or whatever they decide to call it, will be begun as soon as Doelger comes to terms with Pacifica's city fathers.

JUDGE FRANK BLUM DISCUSSES 'THE PROCESS OF GROWING UP'

Superior Court Judge Frank Blum addressed a group of parents of junior and senior high school students lastt Wednesday evening at St. Martin's Episcopal Church. The meeting organized by the Reverend Allen J. Downey was for tthe purpose of exploring ways in which the church can help teen-age youngsters with the many problems they face iin the process of growing up.

In his most enlightening speech, Judge Blum, who is an active member in the parish, stressed the importance of parents' supervision during these formative years. He said the basis of juvenile delinquency among teen-agers is having "idle time on their hands". He added "by helping our children, we will help other children".

The group then divided into round-table discussions planning activities for both age groups. Parents of junior high school students decided on more family activities in the grouup to occupy the youngsters. A committee, headed by Mrs. Daryl Ober, was formed to plan senior student activities.

A family activity for all members of St. Martin's will be held this Friday night when the Men's Club hold their annual box lunch social. An amateur talent show emceed by William Hooper will be the evening's entertainment. His assistant in arranging the program is St. Martin's organist George Ritter. President of Men's Club, Joseph Streiff, is general chairman.

B'NAI ISRAEL DINNER FETES RABBI SHORE

Congregation B'nai Israel will celebrate the third anniversary of its reactivation as a Conservative congregation by holding a testimonial dinner for its spiritual leader, Rabbi Solomon A. Shore. Shore came to Daly City from Modesto and has inspired the growth of the congregation from 10 families three years ago to 80 at the present time.

Principal speaker on May 21 at the International Inn in South San Francisco will be Rabbi Bernard Ducoff, Executive Director of the Bureau of Jewish Education. Other speakers will include Congregation B'nai Israel President Irving Podolksy, Sisterhood President. Werner Snyder is chairman and Morton Levinson will act as master of ceremonies.

Sabbath Eve services at 8:30 p.m. on Friday, May 20 will be held at 67 Los Banos avenue in Daly City. Shore will officiate and the topic of his sermon will be "The Rabbi In Modern Society." Hostesses at the social hour will be the Mmes. Bernard Abram and Bernard Rubin.

'Re-enlistment --Do I Lose GI Home Loan?'

Q—When I come out of service next month I will be eligible as a Korea veteran for a GI home loan. Will I lose this eligibility if I sign up for re-enlistment?

A—No. You would not lose eligibility for a GI home loan by re-enlisting. However, you would be bound by the February 1, 1965, deadline for such a loan, like an Korea veteran.

* * *

Q—If I should add the total disability income rider to my World War II GI insurance policy, and become disabled, would the amount my beneficiaries receive from the policy in case of my death be reduced in any way?

A—No. Disability payments made under the rider in no way decrease payments to beneficiaries of your GI insurance policy.

* * *

G—Is a "peacetime" veteran with a disability rated 50 per cent entitled to more compensation for dependents?

A—Yes. Peacetime veterans rated 50 per cent or more disabled may be entitled to additional compensation for a wife, minor children, or dependent parents.

* * *

Q—I was in a prison camp during World War II. I have a dental condition traceable to my service, but for which I do not receive compensation from VA. Is there a deadline in my case for applying for VA outpatient treatment?

A—No. As a former prisoner of war, with a service-connected noncompensable dental condition, you may apply at any time, and receive as many treatments as needed.

American Legion Unit 410 Readies For Poppy Sale

Daly City Unit 410, American Legion Auxiliary, will assist veterans in need by holding their annual poppy sale on May 20-21.

Unit 410 will aid in the nationwide sale of poppies for the Memorial Day remembrance. The remainder of funds, after initial costs of material have been paid, go toward providing a gift shop where the VA hospitalized patient can select, without paying, a gift for his family.

Money donated to the poppy sale is used also for welfare purposes for a veteran's wife and family. Rent, food and clothing are some of the contributions from the Welfare Fund of the American Legion Auxiliary to the general welfare of the G. I. in need of assistance. The local Palo Alto VA Hospital has more than 1300 patients at presents.

The local women ask residents to buy a red crepe paper poppy on these two days, the only time of the year the drive is held.

Sea Scouts Put Training Into Practice As Sailboat 'Flips'

Nothing could be stranger than being jubilant when a sailboat "flips over" in a strong wind, but this was exactly the case on a recent Saturday afternoon when two Daly City Sea Scouts were knocked flat by heavy, gusty winds.

There were two reasons for this attitude, taken by the Ship's Mate. Bob Gunthorp. One was that the swimming classes held periodically came in handy, and that water safety training has paid off. In questioning one of the scouts, Garry Majourau, Garry stated that "The first thing that came into my mind was just what you've always told us; get into the life jacket fast." This was seconded by the other scout, Steve Attell.

The boats themselves, it should be pointed out, are molded fiberglas with built-in flotation tanks. They are unsinkable, as is almost all the boat's equipage.

The second reason, aside from the amusement occasioned at the spectacle of the two dripping scouts, was that the boat modifications made by Jay Irick, the ship's skipper, helped by Gunthorp, have paid off in making the boats better sailers than as originally designed.

After several weeks of experimentation and study, new daggerboards were built giving the boats slightly more than one square foot of additional "centerboard action." The rudders, originally so shallow that the boats would head into the wind through lack of rudder action in case of a "knockdown gust," were discarded. Gunthorp, with some help from the scouts, designed and built new "dagger-type" rudders. These increased the square footage of in-the-water rudder action substantially.

The boats were further modified by adding several square feet to the sails, to counterbalance the new rudders and centerboards.

The net effect has been to turn the boats into safe but fast sailers, trickier to handle and thus, far better for the scouts to train with before graduating into larger and even faster sailboats.

Sea Scout Ship 248, of Daly City, is comprised of high school boys from Daly City, Colma, Broadmoor, Garden Village, and the Sunset District of San Francisco. Boys who are interested in small boat sailing are encouraged to join, as there are currently several vacancies. Interested lads should contact Darryl Deinhard at PL 6-4318 or Frank De Martini at PL 6-1946. No previous scouting or sailing experience is necessary.

Evangelical Services At W'lake Church

"Christ Makes Men Whole" will be the theme of a week of special evening evangelical mission services to be held at Westlake Lutheran Church, 222 Avalon drive. Pastor Lauren I. Egdahl of Mount Calvary Luthern Church, LaPuente, California, is the mission speaker.

The mission will begin at the regular Sunday morning worship service, 10:30 a.m. on May 22 and continue every evening through Thursday, May 26. Pastor Egdahl's meditation themes are: Sunday a.m., "Miracles on Main Street"; Sunday p.m., "Beyond Our Best"; Monday, "Seeing What Was Not Seen"; Tuesday, "How Dumb Can You Be"; Wednesday, "His Better Way"; Thursday, "The Gates of New Life."

All of the evening services will begin at 7:30 p.m. They will be informal in nature with special music and the special feature of a question session each evening. Sunday evening will be Youth Night.

Senior Citizens To Be Entertained By W'lake Dancers

Members of the Senior Citizens of Aquatic Park in San Francisco will be entertained on Sunday, May 22, by the pupils of Irene Weed of Westlake.

The Junior pupils participating will be: Carolyn Love, Myrna Bockes, Jill Coughlan, Judy Lipshin, Phyllis Axt, Blanche Castro, Kary Mitchell, Wendy Warren, Betty Miller, Posey Bartlett, Melissa Sennett, Denice Devencencie, Michele Basta, Roxanne Ross and Elizabeth Rossi.

Senior students who attend St. Paul's High School will present their cheer leader scene and dances with little Renee Denice Rachfal of Westlake as their mascot. Cheer leaders are Faye Kellogg, Betty Snow, Mary Borg, Genevieve Davis, Maureen Beltrano, Bernadette Gurule, Faye Black, Mary Lou Castro, Rose Carter, and Kathy Horan.

Cheryl Holland will give her humerous monologue "Baby In The Bath Tub" which won first award in the Parochial High School speech tournament.

LITTLE LEAP

... OVER A BIG BOULDER

With Lou Lucia

Every year two Daly City policemen, Les Bastedo and John Coleman, go fishing together, and each annum their tale of what has happened sounds like an enlarged story of Laurel and Hardy.

We say "enlarged" as the duo combined would weigh well over 440 pounds. Let's start out with the 1960 chapter and work backwards.

Why these two policemen go fishing for "relaxation" we'll never know. Coleman caught a new type of red-headed fish known as a "Les." John made a perfect cast, his hook going far out and latching on to Bastedo's ear.

Les immediately sought medical aid in the booming metropolis of Shingletown, California. The doc took a look at Bastedo's ear lobe and ordered, "Go back to fishing, the ear won't bother you." (Another officer, desk man Jimmy Welsh put it differently, claiming, "The game warden told Coleman to throw Bastedo back in as Les wasn't in season.")

City Hall workers are usually skeptical of the two policemen's stories as they tell big fish tales while catching little sardines. This year Coleman can show his catch over all Daly City.

Now let's go back to 1959. Bastedo was standing in the front of the canoe when Coleman decided to pick up fishing gear boxes in the back. Coleman stood up causing the boat to lurch. It was what you might call, "Tippy-canoe and Coleman with Bastedo too." Luckily neither was mistaken for a fish and reeled in by a shoreside angler.

The Big Fishermen had trouble three years ago also. After a week-end of what is believed to be "casual" fishing, though we have no reports covering that period to verify it, the gendarmes started home. The car they were driving was in such poor condition that it flopped around like a fish pulled out of the water and died midway.

There was nothing left to do but trade in the old clunk for another auto and wend a weary way homeward. For sheer persistence, you have to hand it to this pair. One of these days they might even catch a whale; if it doesn't catch them first.

Perhaps for a quiet week-end they could stay in the city, chasing a machine gun bandit. No doubt, Chief Roland Petrocchi is glad of one thing. Their police net tactics are a million times better than their fish net experiences.

We recommend but one thing to Coleman. That he bring Bastedo to Steinhart Aquarium and claim the first red-headed 235-pound fish in history.

133 Westlake Pupils Attend Youth Concert

One hundred thirty-three children from the fifth and sixth grades at Westlake School attended the annual Youth Symphony Concert at War Memorial Opera House in San Francisco. Dr. Jan Popper conducted the symphony orchestra and also narrated the program which included Menotti's Overture to "Amelia Goes to the Ball," "The Irish Washerwoman" by LeRoy Anderson, "Pavane on the Death of a Young Princess" by Ravel, and other works. As an added attraction the orchestra accompanied a ten-year-old piano soloist, Patricia Michaelian, who played the First Movement from Haydn's Concerto in D Major.

'132-MILES SYSTEM FOR 89,500,000 PASSENGERS BY 1967'

$1,199,695,000 Price Estimate On Rapid Transit Network

Directors of the five-county Bay Area Rapid Transit District last week got their first look at a partial outline of a regional rapid transit system and at some of the problems they must solve before such a system can be built.

Outlined were "working estimates" for a 132-mile, virtually automatic rail system providing safe, comfortable travel throughout the Bay Area at schedule speeds nearly twice as fast as any existing rapid transit system.

The system would make possible "guaranteed" peak hour travel times as the following: 11th street and Broadway, Oakland, to Powell and Market streets, San Francisco, 10 minutes; Redwood City to South San Francisco, 21 minutes, San Rafael to Sausalito, nine minutes; Richmond to San Leandro, 33 minutes; Hayward to University avenue, Berkeley, 27 minutes.

Estimated price tag for construction of the outlined system: $1,199,695,000. This excludes the cost of the trans-Bay tube, key link in the system, for which financing already has been provided by the State Legislature.

Chief Engineer Keneth M. Hoover emphasized that the report is only the first of several engineering reports to be submitted by the consultants this month and that it does not represent a "final or recommended program." He said the initial report primarily reflects the costs of "meeting the desires for routes and types of construction of the various cities, counties and other public agencies with whom our engineers have worked for almost a year." He added:

"Yet to come are the reports on such major studies as the trans-Bay tube and the Golden Gate Bridge and on studies of alternate routes in San Francisco, San Mateo, Alameda and Contra Costa counties.

"As the report points out," Hoover said, "changes, extensions, cutbacks and substitutions of alternates of route and type of construction can be expected in the process of formulating a final system."

Proposed in the report are 132 miles of private, grade-separated routes, including 27 miles in subways or tunnels, 35 miles at ground level and 67 on aerial structures.

Routes covered in the initial report extend north from a subway complex in downtown San Francisco to Novato in Marin County, south to Mountain View in Santa Clara County, and west through Twin Peaks to Daly City.

From the subway complex in downtown Oakland, routes would extend north through Berkeley to Richmond, east through the Oakland-Berkeley hills to Concord and south to Union City.

The East and West Bay portions of the network would be linked by a 4-mile underwater tube between Oakland and San Francisco.

A dramatic feature of the report is a proposal to construct spacious pedestrian mezzanines between the street and subway levels beneath Market and Post streets in San Francisco and Broadway in Oakland.

The report predicts that some 89,500,000 passengers would be carried on the system in 1967 if it was in operation by that time.

In the second year of operation, the report continues, annual patronage of the system would jump to more than 111,000,000. By 1980, the last year for which projections were made, the system would carry nearly 149,000,000 passengers.

The proposed fare schedule is based on a minimum fare of 25 cents for any trip on the system up to eight miles and fares ranging from 3.2 cents down to 2.11 cents per mile for trips up to 40 miles.

On the basis of the patronage estimates and the proposed fare schedule, the report predicts that system fares would pay all operating and maintenance cost, purchase rolling stock and still leave a "reasonable margin."

Net revenue, after payment of operating and maintenance expenses, was estimated at $12,763,000 in 1967, $18,088,000 in 1968 and $28,252,000 in 1980.

Engineers are continuing their program of estimating additional alternatives. These include the Mission-Alemany route in San Francisco, construction of rapid transit at grade alongside the Southern Pacific on the Peninsula with joint grade separation for both rapid transit and the railroad, elevated rapid transit on Geary street in San Francisco, and others.

The estimated construction cost of $1,199,695,000 was based on a construction period ending in December, 1966. Douglas noted that $173,000,000 is included in the estimate to cover inflation in the costs of construction and materials between now and the end of the construction period.

Spokesmen also commented on the high cost of breaching the two remaining inter-county barriers, the Golden Gate separating San Francisco and Marin counties and the Oakland-Berkeley hills separating Alameda and Contra Costa counties. Financing of the connection across a third major physical barrier, San Francisco Bay, already has been provided by the State Legislature in its commitment of $115,000,000 in surplus Bay Bridge automobile tolls for a trans-Bay tube.

The report estimates that the connection across the Golden Gate from the 11th avenue station on Geary street in San Francisco to the first station in Sausalito at $81,000,000, with most of this total required for tunneling through the Presidio and underneath the Sausalito hills. The estimated cost of crossing the Golden Gate Bridge itself is about $15,000,000.

Estimated cost of the tunnel from Oakland through the Oakland-Berkeley hills into Contra Costa County is $50,000,000.

Legion Poppies Aid Westmoor Scholarship

Units of the 26th District (San Mateo County) American Legion Auxiliary will conduct their annual pre-Memorial Day "Poppy Sales" this Friday and Saturday, May 20 and 21, with all the proceeds going to military veterans who are in need of financial assistance at various times during the year.

Part of the money raised goes to hospitalized vets at Palo Alto Veterans Hospital which has 1300 patients.

This year, Broadmoor's Legion Auxiliary Unit 824 is offering a scholarship to Westmoor High School, Daly City, for a student whose parent is a veteran. Local purchases of the red crepe paper poppies will aid this project as well as veterans throughout the county.

RAPID TRANSIT MAP CALLS FOR 63 PASSENGER STATIONS

Routes for the rapid transit system just engineered for the Bay region would total 132 miles in length — a high-speed rail network stretching throughout the counties of San Francisco, Alameda, Contra Costa, San Mateo, and Marin.

The proposed system will utilize nearly all types of transit construction, with trains traveling on the ground, high above the ground, below the ground, over water and under water.

Included in the total mileage figure are 65 miles of aerial transit route, 27 miles of tunnels and subway, 35 miles of surface route, 3.6 miles of underwater tubing, and 1.3 miles of railroad line suspended below the deck of the Golden Gate Bridge.

Not included, however, are several alternate routes and possible extensions which remain under study by the rapid transit district's engineers.

The rapid transit system, as outlined, would consist of six segments or lines, all branching out from the underwater trans-Bay tube which connects San Francisco and Oakland at the center. Three of these lines would fan out from the San Francisco side of the tube, and three would fan out from Oakland into the East Bay area.

Beginning at the Ferry Building in San Francisco, where the western portal of the tube is to be located, a two-level subway complete with underground pedestrian mezzanines would travel the full length of Market street. This subway transit line will continue southwesterly through Twin Peaks and then on to Daly City via Nineteenth avenue.

Another line would branch off Market at Ninth street in the downtown area, and travel southward to the Peninsula along the present right-of-way of the Southern Pacific Railroad. The terminus shown in the initial report is at Mountain View.

The third transit line serving the western side of the Bay would begin at Post and Market streets in downtown San Francisco. It would travel westward along a Post street subway almost to Masonic avenue, and then cross over to Geary boulevard.

It would follow Geary to a point south of the Golden Gate Bridge, where it would turn underneath the Presidio and cross over into Marin County. From here it would continue north to Sausalito, Mill Valley, Corte Madera, San Rafael and Novato, utilizing much of the present right-of-way of the Northwestern Pacific Railroad.

Drive Continues To Aid Center For Crippled

The drive for funds to support operation of the Rehabilitation and Research Center for Crippled Children and Adults of San Mateo County will continue throughout the month of May, it was announced today by Postmaster Vincent Murphy, chairman of the Daly City drive.

So far $31,528 has been received in response to the Easter Seal appeal by mail, which went to every resident of Daly City and San Mateo County. The goal for operation of the Center, located at 1764 Marco Polo Way, is $50,000.

"While the actual Easter Seal sale is considered to be completed, we simply do not have enough funds to operate the Center and help the 12,000 handicapped persons in San Mateo County throughout the year, unless more contributions are received," Murphy pointed out, "and I am confident that many people who forgot to send in their contribution will do so now, knowing the dire need for help. Contributions should be mailed to Easter Seal Society, 1764 Marco Polo Way, Burlingame, or simply in care of your local postmaster."

Harry J. Boyle, Hillsborough executive, county-wide chairman of the drive, expressed hope that Daly City citizens would add to the total through additional contributions. Boyle praised Murphy, the Daly City chairman, for his outstanding work during the drive.

The public is invited to visit the Rehabilitation Center at any time and see the outstanding therapy being carried on to aid crippled children and adults, as well as operation of the Sheltered Workshop where intricate jobs for Peninsula industries are done on a contract basis, allowing handicapped persons to be useful, productive citizens and saving taxpayers thousands of dollars that would be paid out in relief otherwise.

VISTA MAR PTA officers for the 1960-1961 term were installed May 10 in an impressive ceremony by Mrs. Foriest Cunningham (second from left). The new officers (left to right) are: Mmes. Vincent O'Connor, vice president; K. Pullizano, treasurer; Thomas West, parliamentarian; Principal Marjorie Tobias, honorary vice president; Ronald Meyers, president; James Maloney, recording secretary; Robert St. Clair, auditor; Albert Benezra, financial secretary, and Gilbert Morgan, historian.

Health Coordinator PTA Speaker; Vista Mar Elects New Officers

Parents and teachers, gathered for the final meeting of the Vista Mar PTA on May 10, heard Mrs. Helen Delafield, District Coordinator for Health and Welfare, stress how parents can make summer vacation more enjoyable for their youngsters and themselves.

"Summer vacation gives children time to relaxe and grow; summer is wonderful therapy," said Mrs. Delafield. "Children are freed from the pressure of constant evaluation and competitive tensions of the school situation. However, this freedom brings with it hours, days and weeks of unscheduled time that can constitute a hazard for the youngsters unless parents plan ahead for healthy and safe recreation.

"Accidents claim more lives of children between the ages of 5 and 14 than all diseases and illnesses combined. Forty-two percent of these accidents occur in the home. Research and observation bear out the fact that fatigue is a major contributing factor to the high accident rate among children. Without proper rest, the child lacks alertness, vitality and muscle coordination and is susceptible to accidental injury."

Concluding her remarks, Mrs. Delafield said: "Parents can't completely avoid all hazards for children because they seek adventure and need new experiences to grow. Parental awareness and common sense can reduce the terrible toll of young lives due to accidents."

The final meeting concluded with the installation of the new PTA officers by Mrs. Foriest Cunningham, president of Seventeenth District PTA. The new officers are: Mmes Ronald Meyers, president; Vincent O'Connor, vice president; James Maloney, recording secretary; Ronald Calle, corresponding secretary; Albert Benezra, financial secretary; K. Pullizano, treasurer; Robert St. Clair, auditor; Gilbert Morgan, historian; Thomas West, parliamentarian; and Miss Marjorie Tobias, honorary vice president.

OBITUARIES

Mrs. Rose DeMarco

Funeral services were conducted Monday in South San Francisco for Mrs. Rose DeMarco, 71, who lived at 14 Visitacion avenue in Brisbane. She died May 13 in Burlingame.

A native of Villa Friate, Sicily, she had resided in Brisbane the past 20 years. She was a member of American Legion Post Auxiliary No. 473 of Brisbane.

She was the wife of the late Frank DeMarco Sr., mother of Vita Gomez, John DeMarco, Frank DeMarco Jr., and Sarah Crabtree, all of Brisbane; Joseph and Anthony DeMarco of San Bruno, and Mrs. Mary Allen of San Mateo; and the sister of Vito Graziano and Mrs. Ann Locascio of Hammond, Louisiana; Mrs. Rose Varisco of New Orleans, and numerous nieces, nephews and grandchildren.

Nauman - Lincoln Mortuary, 322 Maple avenue, South San Francisco handled funeral arrangements. Requiem High Mass was celebrated at Church of the Visitacion, Bayshore City. Entombment was at Italian Cemetery.

Lenora Kain

Funeral services Monday morning paid final tribute to Lenora Kain, 91 Skyline drive, Daly City, who died May 13 at St. Luke's Hospital in San Francisco.

Born in California, she was the wife of the late Edward Kain, sister of George and Oscar Scott and Mrs. Eva Scoutt, and the aunt of Allen, Milton, Minnie, Virginia and Betty Harvey.

W. C. Lasswell and Company handled funeral arrangements. Interment was at Greenlawn Memorial Park.

RABBI Solomon A. Shore of Daly City's B'nai Israel congregation will be honored this Saturday evening in a testimonial dinner at the International Inn, South San Francisco. Main speaker will be Rabbi Bernard Ducoff, executive director of the Bureau of Jewish Education. Persons wishing to attend the affair should call PL 6-2039 for reservations.

Vista Mar Pupils Visit Jr. Museum At Coyote Point

The animals of San Mateo county "became alive" for some pupils of Daly City's Vista Mar School when they visited the Junior Museum at Coyote Point, in line with their classroom studies.

The third grade classes of Mrs. Jane Cain and Miss Mary O'Rourke culminated their study of San Mateo County by viewing native birds and animals depicting typical wildlife habitats of the county, terreria of local reptiles and amphibians, and many colorful marine forms in "Marineland."

LOVELY MARIE MOGGIA

12 Local Italian-Catholic Units Back SF State Coed For 'Queen'

The 12 branches of the Italian-Catholic Federation in the San Francisco District Council have selected auburn-haired Marie Moggia, member of Branch 20, as their candidate to run for the honor of Queen of the annual convention.

San Jose has been chosen as the convention city for the 30th annual session. Headquarters will be in the St. Claire Hotel.

Hazel-eyed and 5 feet tall, Marie is a graduate of Balboa High School, '56, and attended City College of San Francisco for three years, where she received her AA degree. She is now a junior at San Francisco State College where she is studying for her B.A. degree for a kindergarten - primary teaching credential.

Twenty-one-year-old Marie will be competing against seven girls from the different districts in California, Chicago and Nevada.

The contest winner will reign for the four days of the convention. The Coronation Ball will be the start of her reign. She will preside in the big civic parade, banquets and religious activities.

Chairman of the queen contest is Joseph Casalnova, prominent attorney. Assisting him will be Norma Baldeschi, Nildo Firpo, Flora Torrano, Verna Teglia and Rinaldo Carmassi.

Branch 19 of Holy Angels Church in Colma will support Marie.

Al Teglia, president of the Colma branch, sent a special invitation to Marie to be present and be introduced to the membership at the social meeting last week.

A TELEVISION TRIUMPH

Award-Winning 'Adventure School' Delights Parents And Tots Alike

By MONA BAKER

"In Adventure School with us, you'll start a happy day." This gay little theme song sets the mood for one of the most delightful children's programs on the TV lanes, "Adventure School," with Marian Koehler Rowe, which returned to KPIX-Westinghouse last week and is seen weekday mornings at 9 o'clock. Participating in Tuesday's program were four local youngsters, Lori McCroskey, Perry and Mitchell Fox and John Belforte.

It is certainly "welcome back" to the excellent preschool program which was the recipient of many national awards including Ohio State and McCall's Gold Mike Award when it was seen on Channel Five two years ago. Mrs. Rowe brings to the program a wealth of experience gained through 25 years of conducting her own nursery school in Southern California.

In reviewing the show it is difficult to pinpoint any outstanding quality because there are so many. Yet we must comment on that quality of complete serenity with which Mrs. Rowe surrounds the children. As we watched the show quietly unfold, we felt somehow she must possess some magic — how is it possible to take four active youngsters whom she has just met, go before the camera, and bring forth a completely entertaining, unrehearsed show that goes so smoothly and holds the children's interest — certainly a tribute to a skillful teacher. The children are unaware that they are on camera, and when the show is over, gather around her not wanting to leave.

Throughout the program Mrs. Rowe subtly weaves in suggestions for good behavior and manners, as well as encouraging and stimulating the youngsters to participate in "fun projects." She cleverly brings in the children at home making them feel part of the show as she asks them to join in the activities. By the way, for the information of mothers, fun sheets are available from the station outlining the day's project and the materials required so the children at home can be ready.

Another outstanding part of the program is the last five minutes when Mrs. Rowe leaves the children at their table, and chats with mothers in the viewing audience. In that brief time she brings more sound and practical advice helping parents cope with family situations than could be acquired by reading a dozen books. Certainly her entire program is an impressive demonstration of skillfully handling problems that parents of tiny tots meet every day. In future programs Mrs. Rowe plans to have mothers participate in the show from time to time.

When we went with Mrs. Rowe up to her office following the program, we found her desk overflowing with letters from viewers — a most remarkable response after one day's telecast! If you wish to have your child appear on the show write Mrs. Rowe at KPIX, and as she explained to us "as in nursery schools we take turns," so children will appear in order of letters received.

Food & Fun On The Peninsula And San Francisco

Long-time patrons of the San Pedro will be happy to know that the restaurant is again open for lunches. Your new hosts are W.V.A. "Jimmy" Schmidt and Ray Russo, who have taken over ownership from Gus Sebastiani.

W.V.A., or "Jimmy" Schmidt, as he is more fondly known, is a veteran of 30 years in the automobile business who has now finally realized a life-long yen to operate a restaurant. Jimmy was for 20 years a partner in Ernest-Ingold Chevrolet, and later operated his own Olds dealership in San Bruno. A resident of San Mateo, he is active in fraternal and civil affairs and is past president of the International Footprint association.

Ray, now a San Bruno resident, is not a new face to the area, having lived formerly in Broadmoor Village and worked behind the mahogany at local restaurants and nightclubs for more than 15 years.

This affable team can't help but make a success of their venture.

And, as we started to say earlier, lunches are being served again and the usually excellent family-style dinners are offered from 5 to 10:30. Cocktails, of course.

Saturday Afternoon

DALY CITY MUNI BAND CONCERT CLIMAX TO BIG WESTLAKE SHOW

A concert by the Daly City Municipal Band at 2:30 p.m. Saturday will round out the week's program of special events at the fifth annual Daly City Boat and Vacation Show.

The concert will be held in the Court of the Westlake Shopping Center where one of the largest community type recreation expositions ever staged in Northern California is currently being staged.

The show features some 50 assorted said, power and novelty type boats plus a variety of other exhibits including a variety of vacation and camping equipment, a U. S. Marine Corps miniature amphibious unit, a water safety display by the U. S. Coast Guard Power Squadron and movies on boating and water skiing.

A popular event at the show is the daily demonstration in marksmanship by amateur archers from throughout the area who accomplish such fetes of accuracy as snuffing out the flame of a candle and shooting a balloon suspended target out of the air and then piercing the target with an arrow before it hits the ground.

The demonstrations are sponsored by Bill Barrett, operator of the Daly City Archery Shop at 6253 Mission street.

Barrett, an avid sportsman who employs his skills with bow and arrow in hunting wild game, also is conducting a free clinic in archery in connection with his display.

For the big game hunter who finds his adventures into the wilds dampened by the prospect of having to carry out his kill and the fisherman who has difficulty in negotiating the rough terrain of his favorite fishing area there is a slow-speed, rugged motor scooter, the Tote Gote.

This unique machine will haul a 400-pound load up a 45 per cent grade and will pull through loose sand and mud.

Timed to coincide with the beginning of the vacation season, the show also features a variety of special travel displays. It is sponsored by the Westlake Merchants Association and is open from 1 to 9 p.m. Wednesday and Friday and from 10 a.m. to 6 p.m. the rest of the week.

TV and Radio

By Mona Baker

With the noted television star Richard Boone as banquet guest speaker, and a most stimulating agenda of discussion panels participated in by leaders in the broadcasting industry, the 10th annual Radio-Television Conference was held on Friday (May 6) at San Francisco State College. Open to the public, the annual gathering is an outstanding public service for both the industry and the general public, particularly for those interested in educational radio and television. Highlight of the day's meeting were two panels, "Role of the Educator in the Future of Broadcasting" led by leading college educators including Dr. Stuart Hyde, chairman of S.F. State's Radio-TV Department, and "The Role of the Government in the Future of Broadcasting" with San Mateo County Assemblyman Louis Francis participating. Also taking part in an afternoon radio panel were Daly City resident, Ed Whitney, program director, KCBS Radio. Co-chairman of the entire conference with Merle B. Ellis, was another Daly City resident, Mel Mazanti.

The radio-television department at S. F. State is recognized as one of the leading schools in the country, and many graduates have gone on to won laurels in both local and network television and radio. Special courses to be offered in the coming summer school include "Criticism in the Creative Arts," "Television Evaluation for the Classroom Teacher," and "Radio and Televison Announcing."

Two "bright features in KPIX's cap" are two outstanding public service programs which recently premiered over the station. Reaching into various Bay Area communities for participants, a most unique and entertaining series "By the People" documents vital community problems facing citizens in outlying areas surrounding the Bay. With Marin citizens participating, the May 8th program (1:30 p.m.) covered the Point Reyes National Seashore Park. Debuting last Sunday a new documentary program series "The Face of the City" designed to describe and evaluate San Francisco as a place to live.

* * *

Hope you had a chance recently to see "Race for Space" over KTVU. Certainly an outstanding example of how truly dramatic and exciting can be a well-produced documentary, the program traced the history of missiles including American films and special films secured from Russia. This is the kind of program that bears repeating, and we think films of the documentary should be made available to schools.

POKEY the turtle seems to be the center of attraction in this candid of KPIX's "Adventure School." The popular program for pre-school children was recently resumed after a two-year absence. Pictured are four Peninsula children who appeared last week on the program. Keeping their eyes on Pokey (left to right) are Perry Fox, Lori McCroskey, Mitchell Fox (standing), Marian Koehler Rowe, creator and hostess of "Adventure School," and John Belforte. All the children reside in Daly City with the exception of the latter who lives in Millbrae. Young Belforte's father is vice principal of Daly City's Benjamin Franklin School.

"Now that the meeting is over, let's all go to the Westlake Bowl for a midnight snack."

Palmiro Nolli To Lead BPOA

Spinetti Girl Selected For Sierra Caravan

Joann Spinetti, Senior Mariner Scout from Ship 13, has been chosen as camper for the High Sierra Caravan in August. She is one of two scouts chosen from the North San Mateo Council.

Joann, a sophomore at Jefferson High School, is 15 years old and has been a Girl Scout in the Daly City area for nine years.

The Spinetti family, one of the "Scoutingest" families in this area, is composed of: Mother, Anita Spinetti, a Scout 8 years; Pappa Spinetti, a two-year Scout who serves as a committee member; sister Dolores, 17, a 10-year Scout; Ramona, 9 years old and a Brownie; and last but not least, 4½-year-old Patty, who has attended more scouting activities than any other local youngster her age.

Forty girls from nearby councils will leave by bus from Oakland on August 8 and return home August 20.

They will visit four Girl Scout Camps: Deer Lake, Two Sentinels, Sandierra, and Sugarpine. The girls will spend three days at each of these camp sites.

Daly City Soldier Awaits MP Training

Pvt. Alfred J. Palmer, 52 Huntington drive, Daly City, has returned home from basic training on a 13-day leave. He will spend them with his parents before returning to Fort Gordon, Georgia, where he will attend Military Police School.

Palmer, son of Mr. and Mrs. Leonard Palmer, enlisted in the Army under the terms of the "Choose It Yourself Program" for three years.

Fashion Show At Bowl Features Dinner-Dance

"Dance Into Summer!" Sounds like a wonderful idea, doesn't it? And it's the theme for the Dinner-Dance and Fashion Show on June 4 at the Westlake Bowl. Sponsored by the YWCA this prelude to summer will feature clothes modeled from Casual Aire and The New Haven Shop.

From 7-8 p.m. will be the "Happy Hour," or get-acquainted time, in the annex after which a delicious dinner will be served. During that time the dinner guests will enjoy the modeling of attractive couples in the latets of men and women's fashions. Popular Mona Baker will be the commentator. Dancing will follow from 9 p.m. to 1 a.m. with the combo of Walt Tolleson, compliments of the Bowl, doing the musical honors.

The cost of the evening will be $6 per couple and the public is cordially invited to attend. There will be a limit to the number of reservations taken, so if you are interested be sure to call the YWCA of North San Mateo County at PL 6-7370.

Cub Pack 248 Wins Blue Ribbon At Scout-O-Rama

Cub Pack 248 of Westlake received a blue ribbon for excellence for their display at this year's Scout-O-Rama. The display consisted of a large 4x6 mosaic mural depicting wolf, bear, lion and Webelo badges. The unique part of the mosaic was that it was done entirely in different colored beans, corn and split peas. The Cubs spent their time at the Scout-O-Rama pasting beans for the mural.

KENNEDY ELECTRIC FIRM MOVING TO NEW HEADQUARTERS IN SSF

Kennedy Electric Company, Bay Area industrial and commercial electrical contractor, today announced plans for construction of a new headquarters to house the firm in South San Francisco's Airport boulevard Industrial Park.

William T. Kennedy of Burlingame is president of the firm which will be moved from the present plant at 6237 Mission street, Daly City, to the new and larger facilities in South San Francisco on August 1. Work on the new building got under way this week.

Land, building sale and lease arrangements were handled by Louis Poletti of Poletti Realty's industrial department.

Kennedy said the move means an expansion of the firm's entire operations. New activities will include motors and controls, transformer service, repairs and sales.

Prominent in the electrical contracting business for 30 years, Kennedy has headed his own firm since 1944. He is prst president of the San Francisco Electrical Contractors Association and currently serves as a director and vice president of the Peninsula Electrical Contractors Association.

Leslie F. Volkman of San Carlos is superintendent of operations. The new plant, an attractive 10,000 square foot structure, is being built by Carl A. Holvick and Company of Menlo Park.

The California Tomato Growers Assn., Inc., with headquarters at Stockton, was organized in 1947.

Mechelucci Hurls No Hitter For Visitation Nine

BYA Flaying "A" received a one-hit pitching performance from Ron Stefani to defeat Hughes Texaco, 3-2, and take undisputed possession of first place in the American League of the Department of Park and Recreation's 1960 Midget Baseball Leagues.

The PAL Red Sox won their first league game with a 17-1 route of Art Colvin BYA Midgets. Gianaras led the attack with 4 for 5.

The PAL Yankees also won their first game by defeating Holy Angels, 13-7.

In the National League Division, Larry Mechelucci, of Visitacion, pitched a no-hitter against the BYA Tigers. Staff picked up six hits in Visitacion's 15-1 win.

The PAL Giants broke into the win column with a resounding 18-8 win over the PAL Brakes. The Braves garnered only three hits off Starkovitch. All three hits were collocted by Fontillas.

The United States Coast Guard was created by Congress as the Revenue Cutter Service in August 1790.

100 Register At Vista Mar

Kindergarten registration at Daly City's Vista Mar School was efficiently carried out, with parents assisting the administration. One hundred children registered at Vista Mar on Wednesday, May 11.

The committee of parents who also serve on the PTA School Service Committee, which has been functioning this school year, and who received state-wide recognition in the PTA magazine were: Phyllis Brown, chairman; Annette Glicksman, Mare Schroth, Ann St. Clair, Marge O'Connor, Jessie West, and Audrey Morgan.

These mothers discussed the importance of health examinations with parents as they were registering, and did much to orient new enrollees.

Miss Mary Wade, kindergarten teacher, and Principal Marjorie Tobias verified birth credentials.

Paper Drive Saturday By OLPH Scouts

The Men's Club of Our Lady of Perpetual Help Church will hold a paper drive on Saturday, May 21.

Papers can be left at the church hall on that day until 1 p.m. Those wishing to have their papers collected can call Harry Hettel (PL 5-0069), Stan White (PL 5-0216), or Art Ramos (PL 6-4206).

Proceeds of the paper drive will be split with the club's Boy Scout groups, who will take an active part in the drive.

Ct. St. Mary To Select New Officers

The meeting of Court St. Mary No. 1155, Catholic Daughters of America, this Thursday evening, May 19, will feature election of new officers.

A business report on the state convention of the Catholic Daughters of America will be given by the Court's delegate, Mrs. DeWitt Brunson, Grand Regent, who attended the session, May 12-15, at the Mark Hopkins Hotel in San Francisco.

Court officers are sponsoring a big public whist party on Thursday, May 26, at 8:30 p.m. at the Our Lady of Perpetual Help hall, 80 Wellington avenue, Daly City. The public is cordially invited. Proceeds will supplement the Court's treasury and mortuary fund.

Plans are underway for the Baccalaureate Mass, to be given by Court St. Mary, for Daly City's Jefferson High School graduating class preceding graduation exercises in June.

Hillside PTA Has Dinner, Helps With Registration

The Hillside PTA of Colma K-6 and Colma intermediate schools held their annual Executive board dinner last Monday evening, at the Steak Pit in Colma.

Mrs. Connie Chauvin presented Don Lesher with his past president's pin. Lesher has been president of this unit for the past two years.

Mrs. Rita Poole, chairman of the dinner, announced approximately 35 outgoing and incoming officers and chairmen attended this affair.

Kindergarten registration for the 1960-1961 school year was held last Wednesday at Colma K-6 school in the kindergarten classroom.

Mrs. Eleanor Zenovich, Colma K-6 principal, requested the Hillside PTA to assist for the registration. Mrs. Margaret Byrd, kindergarten teacher, greeted and helped the parents of the future pupils. A total of 82 parents registered their children by 3 p.m.

Mrs. Nancy Mini, health and welfare chairman, asked the following PTA members to assist: Mrs. Nin Sarubbi, Mrs. Bernice Meinzer, Mrs. Rita Poole and Mrs. Mickey Cardoza.

THE LIONS WILL ROAR: At least 50 of the Daly City-Colma Lions will be at Candlestick Park to watch the Rigney-ized nine meet the Milwaukee Braves on June 10. Lions' publicist Sam (Alka) Felser says he knows the games are not on the regular National League slate. It's the rained-out game from a previous series, so there!

* * *

NOT VERY SVELTE AROUND THE BELT: The Brooklyn Red Devils, one of the Roller Derby League teams, boasts they have the largest skater around. Around the belt that is. John (Porky) Parker, who tips the scale at 250 pounds, could possibly make pancakes out of the opposition if he should fall on them.

* * *

JUST FOR THE GALS: Lynda Rowan, gal sports editor of the Rampage, Westmoor High paper, recently walked off with top honors at a University California press conference. Journalism instructor Mrs. Doris Lindfors can be justly proud.

Incidentally, we have found out that the girls don't use the hair dryers at either Jeff or Westmoor. It's not that we're a "peeping Tom." (Our name isn't "Tom"). Actually, the matter was brought up at a High School trustee meeting when it was decided to delete this item as not a "must" necessity at Terra Nova High. Some items had to be chopped and the dryers were among them. Superintendent Ed Morgan said officials at the local schools stated the girls didn't have enough time between classes to stand under the devices.

* * *

ROLLING DOWN THE LANE: The Corina Cigars bowling team, made up of Jefferson District teachers, was mired in the cellar of their loop for the first 12 rounds. Then, says elementary teacher Bob Brown, Tony Giammona got through with the basketball season and was able to twist them down the alley. Giammona's red hot kegling has paced the team to near'y third place. We hated to say this, in fear of jinxing Tony. We're sure whether the ball has air in it or is heavy, Tony will continue giving good performances. That last sentence is a compound-fractured one, in case you teachers are interested.

* * *

SO YOU THINK YOU'RE QUICK: Anibal Davila, a mountain crossing name if I ever heard one, missed setting a school mile record for Jeff by two-tenths of a second. His time was 4:34.0. Jim Rector's Indian pace-setter was 4:33.8. By the time you read the last word in this sentence two-tenths of a second will have been long gone. Time does fly, but so does Anibal.

* * *

RADIANT BUT NOT HEATING: Westmoor's baseballers have been radiant in play but it's a wonder after sitting in the frigidaire type dug-out. The Ram baseballers on the bench usually have to stand up during a game, another bad facet. The crossboards block the view when you sit down. No ballplayer likes to sit on the bench, but it's even worse when you have to stand on the bench.

* * *

GIAMMONA HAS CAGE TROUBLES: Westmoor Basketball Coach Tony Giammona was dealt a second severe blow within the past month. Not only did Andy Saranchock move out of the State but honorable mention all leaguer Clark Beerman joined the Marine Corps. Beerman, only a junior, had one year of eligibility left. The only first-string holdovers will be Terry Christman and Barry Krohn.

SOME OF WESTMOOR'S outstanding Class B and C runners who consistently did well in big meets this month are: Standing (left to right), Jim Beeler, Pat Russo and Frank Bellante. Kneeling are Bob Borba and Carlos Rivas. All, excepting Russo, are on the C's squad.

Summer Junior Leagues To Open Soon At Bowl

Starting next week the Westlake Bowl will be taking entries for the summer Junior Leagues which will be starting in two weeks. The program is being expanded to the week days as well as the regular Saturday morning program.

There will be a wide assortment of juniors, bantam, and senior leagues at various times during the week as well as on Saturday.

Possibilities of starting a boys' and girls' Junior or Senior mixed league are also being explored.

In answer to many requests, the bowling time will be scheduled later in the morning. There will also be week day 1 p.m. leagues from which to choose. Leagues are expected to be composed of six teams bowling two rounds and finishing during the middle part of July. For further information contact Bob Sexton at the Westlake Bowl any Thursday evening or daytime Saturday.

Davila, Alverio Shine At PL Track Finals

It was a windy day for the Peninsula League track finals at Hillsdale last Friday and though San Mateo rushed to all three titles, Jefferson could claim some whooshing runners themselves.

Chief runners for the Indians were juniors Anibal Davila and Bob Alverio. Davila copped first place with a 4:36.5 in the mile. Coach Bob Watt said Davila wasn't tired at the finish line but had been worried about Burlingame's Bob Zygan who ended second at 4:40.5.

Alverio set a new Peninsula League record for B's in the 1320 by flashing to a 3:21.8. The old standard was 3:26.7 set by Capuchino's Long in 1958.

Gary Molossi was second to San Mateo's Terry Llewyllen in the varsity high jump. Gary cleared 6 feet while Llewyllen, again a pace setter, leaped 6 feet, 4 inches.

Willie White would have set a new PL mark in B 70-yard high hurdles competition had Dan Noce not edged him out at 9.0. The old best was 9.2.

Jeff's Ted Marquez raced to his best ever 660 time, 1:29.9, while placing fourth. The Indian 440 relay team had a chance to place along with San Mateo and Hillsdale but one of the Jeff men dropped the baton during the final lap.

In C competition, Ron White took fifth place in the 660; Corey Patton put the shot 45 feet, 5½ inches for third place; Carroll Aquino tied for third in the pole vault with a leap of 9 feet, 8 inches, his best jump; and George Pressley tied for second place in the high jump at 5 feet, four inches, his best this year.

Trackmen placing through the first five finishers in varsity and B competition will participate in the North Coast Section II Meet at Westmoor Saturday. Competing with PL athletes will be the best of the Southern Peninsula Athletic League, East and West Santa Clara Valley Leagues and Coast Counties.

JOHNSON LEADS RAM VARSITY AT PL FINALS

Westmoor's varsity and C's took second place during the Peninsula League finals at Hillsdale last Friday while the Ram B's finished sixth.

Roger Johnson set a new PL record by broadjumping 21 feet, 6 inches to completely shatter the old mark of 21 feet set by San Mateo's Terry Llewyllen last year.

Other high placers for the varsity were: Pete Daniels, third in the high hurdles; Jim Sershen, third in the 880; George Herbst, first in the 440 and second in the 220; Tom Dake, fourth in the brodjump; Pete DeGarno, fourth in the 220; Ron Klingler, third in the mile; Dennis Chase, first in the pole vault at 12 feet, 4 inches.

Westmoor's 880 relay team of Dake, Herbst, DeGarno and Jim Buccelli raced to first place at 1:33.0.

Outstanding for the B's was Pat Russo who captured a third place in both the broadjump and 660.

Carlos Rivas led the C's by capturing first in the 660. Mike Pedrini was second in the 75, fourth in the broadjump and third in the 120 hurdles. Bob Borba, fifth place finisher in the 150, also tied with teammate Jim Beeler for third place in the 330.

Managers For Adult Softball League To Hold Meeting Here

Department of Parks and Recreation wishes to invite all interested persons and team managers to the 1960 Adult Softball League Managers' meeting to be held May 26, 7:30 p.m., at the War Memorial Community Center.

All games will be twilight affairs starting at 6:30 p.m. and scheduled for weekdays only. League rules, schedule, and entrance fee will be discussed at this meeting. For further information, call PL 5-0850, Ext. 18.

DIVISION II TRACK MEET

Westmoor will host the Division II Meet this Saturday with starting time at 11 a.m. for the best track athletes from the Peninsula League, South Peninsula Athletic League, Santa Clara Valley League and Coast Counties League.

Athletes who finished within the first five places at the Peninsula League finals at Hillsdale last Friday were invited to the meet. Class C trackmen are not included in this Saturday's meet.

CHRISTMAN HURRIES PAST PANTHERS; RAMS SMASH 'CATS

Terry Christman wasted little time in disposing of Burlingame, 8-2, last Friday at the Rams' diamond, using but 57 pitches or less than three per batter to hurry the Panthers off the field.

Last Tuesday, sliver sharp relief pitching by Barry Krohn coupled with an 18 hit barrage swept San Mateo's star pitcher Fred Suggs off the mound and to the showers with an 9-5 defeat.

Westmoor may cinch at least a tie for the pennant by defeating Capuchino this Friday at the Mustangs' home grounds. A win in either of the final two away games would then find the Rams victors of the Peninsula League.

Christman was superb in the Burlingame tiff. He didn't walk a man while striking out seven. He allowed but three hits, only a homer by opposing pitcher Dave Rottcamp accounting for two runs and breaking the shutout.

Meanwhile, Ram horsehide punishers' played bank-ball. Three blasts went over the bank for home runs - two by Tom McHugh and one by Rich Morales. One other of Morales line shots would have been a homer but was called foul, though kicking up chalk at the foul line. Morales batted in four runs with a double and the four-ply blow.

Bill Dougherty and Bill Reynolds also had 2 for 3. The Panthers were never in the ball game as Westmoor scored four times in the second inning and then continued the long ball tactics.

Ram coach Rod Losberger considered San Mateo as the toughest team in the loop before last Tuesday's game. Converted catcher Fred Suggs had pitched a no-hitter, three shutouts in four games and only allowed one run in 28 innings. His 4-0 record went down the tubes as the Rams slugged him about for 18 hits.

First baseman Woody Knapp's long blow, clearing the trees at Fitzgerald Park, meant the beginning of the end for Hilltop starter Don Katona. Krohn allowed but one unearned run in the second inning and that was all. He gave up four hits over the last 6 2/3 innings, walking 3 and striking out 5.

In addition, Barry K. knocked three runs across the plate. Christman, playing leftfield, went wild with the bat, hitting 4 for 5. Billy Hix and Morales, 3 for 5; Krohn and Bill Dougherty, 2 for 3; and Katona, 2 for 4, also had good 'batting average' days.

The Rams were behind, 4-1, as they came to bat in the second inning. Krohn tripled and scored on Dougherty's single to right. Bill stole second but needn't have as Katona socked a triple. Hix's line drive single tallied Katona with the tying run.

The Bearcats got a short-lived lead by plating one run in their half of the inning. Again Westmoor tied the score in the third. Christman shot a double to the outfield and later scored on Ed Walthard's infield hopper.

Losberger's wrecking crew went ahead in the fifth to stay as Dougherty two-bagged a hit, took third on a wild pitch and scored on a sacrifice fly. Suggs was still trying and the Rams still hitting in the sixth. Morales singled to right field and took third on Christman's one baser. Rich scored as McHugh gained life on an error. Krohn's single accounted for the final two runs. Pete Nepotte finally got the side out in the sixth and Jerry Scott blanked the Rams in the seventh.

SIDELIGHTS: In 22 of the 23 games the Rams have played, shortstop MORALES has not committed an error. He has handled 94 chances flawlessly while committing two bobbles ... the Rams team league average is now an overwhelming .353 ... three Rams are over .400 in PL batting: MORALES .471, DOUGHERTY .435, KROHN .417 ... eight of the nine runs off SUGGS were earned.

JEFFERSON BASEBALLERS TO SHOOT FOR SECOND PLACE

Jeff Coach Steve Mezzera said today that Westmoor is running away with the Peninsula League baseball race so his Indian club will be shooting for second place.

The Indians, in contention with Westmoor up until two weeks ago, lost their third consecutive game last Friday, a 3-2 verdict to Mills.

Stan Montalbo went the route for the Indians, walking two striking out five and allowing six hits. His pitching dueler, Ed Ticoulat, was the winner when the Vikings scored in the bottom of the fifth. Second baseman Carey tripled and scored on centerfielder Cavanaugh's blow.

The Indians scored in the first inning as Rich Mortola gained life on an error, took second on a wild pitch and tallied on Tony Montalbo's single. Jeff plated their second run in the fifth as Bobby With led off with a single. Tom McEntee ran for him, stealing second and taking third on an errant pitch. McEntee crossed the plate on Sonny Stoller's sacrifice bunt.

Tony Montalbo had half of Coach Steve Mezzera's strategy in his bat, collecting three of the six hits off Ticoulat. In addition, he performed nimbly at first base while afield.

BILLIARD-TYPE BASE RUNNING COSTS INDIANS

Two Hillsdale batters, in one way or another, accounted for all of the Knights runs as Jefferson lost a 3-1 decision last Tuesday at the Indians diamond despite a closely pitched ball game by Don Staff.

Some billiard type base running, failing to pocket the runs when needed, also accounted for the downfall. The Indians had their big chance in the fourth frame after watching Mike McIver get on base by forcing out Gary Wolf and then loping home easily as centerfielder Bill Kearney blasted a homer.

Tom McEntee made the first out for the Indians in the bottom of that inning. Harry Leininger drew a walk and J. B. Berry came in to run for him. Rich Mortola singled Berry to third and moved to second as Karl Keeling walked. Tony Montalbo's single scored Berry but the third base coach halted Mortola who couldn't get back to the base in time and was tagged out. George Claus struck out to chop the rally short.

Wolf and Kearney collaborated again in the sixth inning for the final Knights' tally. Wolf singled and stole second. He scored on Kearney's one-base shot. Larry Werner pitched a five-hitter for Hillsdale.

Meanwhile, "Slow Stuff" Staff surrendered six hits and one walk while K'ing four. Staff (2-1) lost his first game this year. Tony Montalbo had 2 for 3 for the losers.

RAM SWIMMER ADVANCES TO NORTH COAST

Sophomore Dave Pass, Westmoor's one-man swimming team, will compete in the 50 and 100-yard freestyle events this Saturday in the North Coast Section championships at Santa Clara.

The Westlake youth broke his and the Peninsula League 100-yard record last week at Hillsdale. His time was :55.6 seconds. Earlier, in the trials, Pass won in 56 flat, shattering the league mark for varsity performers.

Dave finished second to Hillsdale's great Ted Stickles in the varsity 50-yard freestyle finals.

Pass will compete in the B division at the North Coast meet. Since Westmoor lacks a pool, Dave, 5-8 and 140 pounds, practices on his own time at the Olympic Club.

Bobby Bias, Stephanie Singer Star As W'lake Bantam Bowlers

By Bob Sexton

If the cheers of the Westlake Bowl kids is any indication of the success of the next NorCal BPAA Junior Championship then this tournament is destined for a very bright future.

A bus load of more than 35 bowlers and scores of privately driven cars made the jaunt to the McHenry Bowl from Westlake. After scores of hot dogs, cokes and ice cream were consumed the kids took the lanes. When the dust had cleared the young keglers had taken the place of many of last week's leaders.

Undoubtedly, the most sparkling performances of the day were turned in by 11-year-old Bobby Bias and Stephanie Singer. Bob started out rather slowly but caught fire in the second game as he rolled a fantastic 208 game. For an 11-year-old bantam, that's great bowling. Bob finished with a 361, including handicap, for his two games.

The other star of the day was the new second week leader, Stephanie Singer, who shot her best game as she came in with 374, including handicap, series. Her games were 156 and 166. The previous best for the junior extravaganza was a 343.

Westlake's crack Junior Girls' team, The Gals, made up of Joanne Pollat, Tommy Foster, Sharon Sylvester, Pat Marks, and Marg Clark roared into first place in their division as they shot a whopping 2467. The individual heroes were Sharon Sylvester, 513 and Pat Marks with a big 359 series.

Craig Headman, bowling for the Jets team, was high for the day in bantam action as he clutch bowled games of 152-161, 313 scratch, and 357 with handicap. Results of the Senior boys team, single and doubles events will be out in a week.

Davila Comes Close As Jeff Thrashes South City Ovalmen

Jefferson's tracksters closed out the dual meet season by soundly thrashing South City in all three divisions on May 3.

The varsity (4-3) score was 104-9, while the B's (5-2) won 69½-43½, and the C's (3-4) marched 59-26.

Anibal Davila missed breaking Jim Rector's school record of 4:33.8 by two-tenths of a second, closing at 4:34.0 Davila's mark was the best in Peninsula League runs this year. Double winners for the Indian big team were Penn Jensen, in the high and low hurdles, and Joe Reynaga, in the 440 and broadjump.

MERCHANTS KEEP PACE AS ADAMS NO-HITS EKLON

One team remained undefeated in the Department of Parks and Recreation's Junior Baseball League. The Excelsior Juniors received shut-out performances from Richard Foreman who pitched a one hitter while his teammates picked up 10 hits in a 9-0 defeat of Parkmerced, and Robert Gonzales who allowed only two hits in blanking San Pedro Lunch, 3-0.

The Daly City Merchants stayed on Excelsior's heels as Tom Adams twirled a no-hitter against Patek Eklon. The merchants gathered only three hits in the 3-0 win.

The PAL Cubs won their first two league games when they upset San Pedro Lunch 8-6. The Cubs turned 9 hits into 13 runs while defeating OLPH 13-4.

Ram Trio Hurls F-S Squad Past Burlingame Nine

Westmoor's Frosh-Soph nine pounded two Burlingame hurlers for 15 hits and an 8-2 victory Friday, May 13, at the Panthers' field.

The win gives the Rams a 5-5 record, good for fourth place in PL Frosh-Soph standings. Coach Roger Miller used three picthers against the Burl's; Joe Gardner, starter and winner, Jerry Gore and Bob Simons.

Gardner pitched three innings allowing two hits and no runs, Gore allowed three hits and one run during the fourth and fifth innings. Simons surrendered two hits and one run over the final two frames.

Scott Shackleford clouted 3 for 4 including a home run and three runs batted in. Roland Isnor, 3 for 5; Fred Mason, Dave McIntosh and Gardner, 2 for 3, also did well at the plate.

A double play was turned in from second baseman Bud Bresnahan to shortstop McIntosh to first baseman Simons in the fourth. Leading hitter for the Rams thus far is leftfielder-pitcher Isnor, .33. Next in line is third baseman Dick Harter, .300. McIntosh is .263 while Simons has a .258 average.

Haanen, Reitz Keep Jeff 9 In Title Chase

Jeff High's Frosh-Soph baseball nine kept stride with co-leader San Mateo last Friday by routing Mills, 11-3, here behind the pitching of Darwyn Haanen.

Centerfielder Rich Reitz capped a big sixth inning with a bases loaded homer to right centerfield.

Haanen worked the full seven innings. He gave up seven hits, struck out four and walked two batters. Jeff got nine hits.

With four league games left, the locals entered this week's action with an 8-2 record, tied for the top spot with San Mateo.
